Do you identify as a BLACK/BROWN TGNC person?

Please create a piece of art based on this statement: **The Next Generation of Black and Brown Trans folk looks like...** This should be a creative project such as a song, a story, a poem, an art piece, a dance, a short film, a speech, or anything you can think of. We want to see your creativity shine and what inspires you! Please upload this document, your piece, and a headshot to Google Drive using this link:
